

8A.327 Rent revolving fund created — purpose.

1. A rent revolving fund is created in the state treasury under the control of the department to be used by the department to pay the lease or rental costs of all buildings and office space necessary for the proper functioning of any state agency at the seat of state government as provided in section 8A.321, subsection 6, except that this fund shall not be used to pay the rental or lease costs of a state agency which has not received funds budgeted for rental or lease purposes.

2. The director shall pay the lease or rental fees to the renter or lessor and submit a monthly statement to each state agency for which building and office space is rented or leased. If the director pays the lease or rental fees on behalf of a state agency, the state agency's payment to the department shall be credited to the rent revolving fund established by this section. With the approval of the director, a state agency may pay the lease or rental cost directly to the person who is due the payment under the lease or rental agreement.
